**ACADEMIC UPDATE:** Our second quarter at Newington High School is underway and our faculty, staff, and administration continue to express pride in our students for their adherence to safety guidelines and their flexibility to adapt to our different models of instruction. The purpose of this communication is to share information about midterm and final exams and our retake practice.

**Midterms and Final Exams:**

For the 2020-21 school year, both midterm and final exams will be eliminated. After soliciting feedback and input from students, teachers and support staff, and Board of Education members, the school administration believes it is in the best interest of students to not prepare or sit for exams. Both teachers and students face several challenges at this time including high stress levels, ensuring security of exams in a remote setting, and the need for as much instructional time as possible. Students enrolled in *some* UCONN/ECE and Project Lead The Way (PLTW) classes are required to complete midterm or final exams based on the requirements of the course. Teachers will plan to administer these assessments during the regular school day.

**Retakes:**

Retakes have been a practice at Newington High School since the 2017-18 school year. The purpose of retakes is to allow students a second opportunity to relearn and reassess to demonstrate mastery. The following are guidelines for retakes at Newington High School, which will be updated on December 7, 2020:

- Students may request a retake for all end-of-unit summative assessments. However, this practice is not applicable in AP, UConn/ECE classes, some assessments where testing conditions cannot be replicated (for example, in a culinary class).
- Retakes are only available when a student has not demonstrated mastery of standards-based concepts and skills. Mastery is defined as an “87” or a “3” on most rubrics. Teachers will communicate to students if all or only portions of an assessment are eligible for a retake.
- The higher grade of two assessments will prevail however, the highest grade that will be entered into PowerSchool for the retake is an 87.
- Students must complete a retake request form. These forms are available from all teachers and are department-specific. Students can expect variability for retake eligibility based on the department and course.

- Updated guidelines (effective December 7, 2020) are posted on our website and can be found [here](#).

### **Work Expectations:**

We understand that this school year continues to be challenging for all students. However, we maintain high expectations for all students to complete work, meet deadlines, and put forth their best effort in all academic areas. Students are encouraged to always reach out to their teachers if there are extenuating circumstances that prevent them from meeting expectations and/or deadlines.

**PARENT ENGAGEMENT GOAL:** Help us help you. Our goal this year is to increase the percentage of parents who indicate “My child(ren)’s teachers help me understand how I can best support my child(ren)’s learning at home.” Click [HERE](#) for more information on how you can help your child.

Remember - your student’s camera should be on at all times. Please make sure all household members are aware of this. Students become easily distracted when others are around, so please ensure they have a quiet space, away from distractions.

**ATTENDANCE:** Please refer to Dr. Brummett’s Parent Notification.

### **Message From the Health Office**

A reminder to all parents. If your child is out sick, you MUST get clearance from the school nurse PRIOR to sending your child back to school. Your child will need to see the school nurse prior to going to their first class upon reentry to school following an illness.

Here is the [Student Guideline](#) for you to follow if your child is sick.

Additionally, parents/guardians or students can not decide to Temporarily Remote their child/self for any reason. If a student chooses to log into a google meet, but is supposed to be in-person, they will be marked absent, but can remain in the meet to get their work. Parents/guardians should contact the school nurse should they feel their child should be temporarily remote.

**Chromebooks:** Students should bring their charged Chromebooks and chargers to school. If you students are in school and have an issue with their Chromebook, they may report to the library. Otherwise, [HERE](#) is the form to complete.

Thank you for your continued patience, flexibility, and support. Please feel free to contact the main office during regular operating hours (7:00 a.m.- 3:30 p.m.) if you have any questions or need additional information.

Sincerely,

*Terra A. Tigno*
